Receiver category 2

# Bluetooth Voice Remote Control, Important Product Information

**MODEL:** XMRM-M2

Beijing Xiaomi Electronics Co.,Ltd

## Notice

This equipment shall be installed and operated in accordance with the instructions provided and the antenna(s) used for this transmitter shall be installed to allow a minimum distance of 20 cm from all persons and shall not be co-located or operated with any other antenna or transmitter.

### Warning:

- Ensure that the power adapter used meets the requirements of Article 2.5 in IEC62368-1 / EN62368-1 and has been tested and approved to national or local standards.
- Do not combine old and new batteries and do not combine alkaline, standard (carbon-zinc) or rechargeable (ni-cad, ni-mh, etc.) batteries.

For an AC/DC adapter, the socket must be installed close to the device and must be easily accessible.

Any changes or modifications not expressly approved by the party responsible for compliance may void the user's authority to operate the equipment.

## Warranty Conditions

A new product purchased in the Alza.cz sales network is guaranteed for 2 years. If you need repair or other services during the warranty period, contact the product seller directly, you must provide the original proof of purchase with the date of purchase.

**The following are considered to be a conflict with the warranty conditions, for which the claimed claim may not be recognized:**

- Using the product for any purpose other than that for which the product is intended or failing to follow the instructions for maintenance, operation, and service of the product.
- Damage to the product by a natural disaster, the intervention of an unauthorized person or mechanically through the fault of the buyer (e.g., during transport, cleaning by inappropriate means, etc.).
- Natural wear and aging of consumables or components during use (such as batteries, etc.).
- Exposure to adverse external influences, such as sunlight and other radiation or electromagnetic fields, fluid intrusion, object intrusion, mains overvoltage, electrostatic discharge voltage (including lightning), faulty supply or input voltage and inappropriate polarity of this voltage, chemical processes such as used power supplies, etc.
- If anyone has made modifications, modifications, alterations to the design or adaptation to change or extend the functions of the product compared to the purchased design or use of non-original components.

# EU Declaration of Conformity

This product complies with the legal requirements of the following European Union directives.

## WEEE

This product must not be disposed of as normal household waste in accordance with the EU Directive on Waste Electrical and Electronic Equipment (WEEE - 2012/19/EU). Instead, it shall be returned to the place of purchase or handed over to a public collection point for the recyclable waste. By ensuring this product is disposed of correctly, you will help prevent potential negative consequences for the environment and human health, which could otherwise be caused by inappropriate waste handling of this product. Contact your local authority or the nearest collection point for further details. Improper disposal of this type of waste may result in fines in accordance with national regulations.
